

- Go to NAVIANCE. (If you need help finding the site or logging in, see the instructions on WS1.)
- Select the “Careers” tab. Select “Career Interest Profiler” then select “start profiler”. This should take 15-20 minutes. When you finish, answer the questions below and on the back.

1. According to the Profiler results, what are your top two interests (Realistic, Investigative, Artistic, Social, Enterprising, or Conventional)? Describe each.

- Interest: _____
- Description: _____

- Interest: _____
- Description: _____

2. Which interest actually describes you best? Why? (Use the description to explain.)

○ Select “View Matching Occupation List.” Select **TWO** careers that are listed in **bold** in your “Career Interest Profiler.” Then complete the chart on the back of this sheet by answering all the questions for each career you selected.
